

ELECTRIC VEHICLE SUPPLY EQUIPMENT (EVSE) REBATES

Dominion Energy offers rebates to multi-family, workplace, and transit customers for the purchase and make-ready costs of Level 2 and direct current (DC) fast EVSE.

The total number of rebates and funding available are as follows:

Customer	EVSE Tech	# of Rebates Available	Total Funding Available
Multi-Family	Level 2	25	\$4,000 for dual-port charging stations; \$11,000 for make-ready
Workplace	Level 2	400	\$2,700 for dual-port charging stations; \$11,000 for make-ready
Transit	DC fast	30	\$53,000 for dual-port charging stations; \$73,000 for make-ready
All Commercial Customers	DC fast	60	\$35,000 for dual-port charging stations; \$73,000 for make-ready

Rebates are awarded on a first-come, first served basis.
